# ESTATE VINEYARD PROFILE – THE CORNERS

THE CORNERS VINEYARD lies in the center of Anderson Valley, near the town of Boonville. In the 19th century, locals called Boonville “The Corners,” hence the name of vineyard. Vines are planted on extreme hillside slopes with gravelly clay soils and southern exposure. The warm afternoon sun fully ripens grapes, while cool breezes from the Pacific Ocean—only 12 miles away—extend the growing season, making this spot ideal for growing Pinot Noir and Chardonnay of exceptional quality. The Corners Vineyard was our very first WALT Estate property.

*“The Corners is a very special place, with its multifaceted slopes and unique aspects, beautiful old trees, and never ending views. I like to walk the rows of vines early in the morning, while fog still hovers in the cool breeze.”*

—Megan Gunderson Paredes, Vice President of Winemaking

## 2020 WALT THE CORNERS PINOT NOIR

### ANDERSON VALLEY

#### TASTING NOTES

Medium pale ruby in color, this wine has fresh aromas of sweet barrel smoke, blueberry preserves and the pennyroyal mint that grows wild in the vineyard. The sweet entry of the palate leads to a smooth, focused, and dense texture. A small percentage of whole cluster in the fermentation lends the rich, resinous quality of aromatic wood on the finish.

#### VITICULTURE NOTES

Our Estate Vineyard from “The Corner” of the Anderson Valley is very unique and special due to the steep hillsides combined with light gravelly soils that create optimal ripening conditions. The Corners is typically sourced from the upper elevation blocks, where small vines and berries produce a concentrated and opulent wine.

APPELLATION.....	ANDERSON VALLEY
VARIETAL.....	PINOT NOIR
VINEYARDS.....	THE CORNERS
AGING.....	14 MONTHS, 40% NEW FRENCH OAK
ALCOHOL .....	14.5%
CLONES .....	667, 777, POMMARD & 115

### 2020 WALT LA BRISA PINOT NOIR

#### SONOMA COAST

##### TASTING NOTES

Dark ruby in color, La Brisa Pinot Noir opens with ample bright red fruit and savory earth aromas. Bold flavors of strawberry, cherry, clove, and sous bois linger on the palate. The rich texture is lifted by cool climate acidity and whole cluster complexity with a fresh, savory finish.

##### VITICULTURE NOTES

This blend is comprised of primarily Bob's Ranch Pinot Noir grapes with Gap's Crown and select grower partners throughout Sonoma rounding out the blend. The wine has a true Sonoma Coast character—deep, earthy aromatics—concentration and depth on the palate, with bright fruit and supple tannins on the finish. We utilized whole cluster fermentation in this vintage to help accentuate the character of each unique site—we are very pleased with the resulting wine.

### 2020 WALT BROWN RANCH PINOT NOIR

#### LOS CARNEROS

##### TASTING NOTES

Medium ruby in color, this Pinot Noir exhibits rich aromas of cardamom and rose, charred oak and strawberry preserves. The sweet entry leads to a plush midpalate framed and balanced by taught tannins on the finish.

##### VITICULTURE NOTES

The Brown Ranch vineyard sits on a hillside within the Napa Carneros 'banana belt'—a specific micro-climate where the morning fog burns off earlier, warming the vineyard for a longer period of time than other sites in the appellation. Haire clay loam soils create exceptional growing conditions for Pinot Noir. Cool fog and ocean breezes coming from the San Pablo Bay provide the perfect environment for this elegant yet concentrated wine.
